

THE DIRECTOR OF CENTRAL INTELLIGENCE

WASHINGTON, D.C. 20505

National Intelligence Council

4 October 1982

MEMORANDUM FOR: Deputy General Counsel [REDACTED] STAT
THROUGH : Chairman, National Intelligence Council
FROM : David D. Gries
National Intelligence Officer for East Asia
SUBJECT : Narcotics and Executive Order 12333

There is considerable confusion both within CIA and among companion agencies within the Intelligence Community concerning the collection of narcotics intelligence that directly or indirectly identifies a US person. In an effort to disspell this confusion it would be helpful if OGC could prepare a book cable [REDACTED] [REDACTED] quoting appropriate portions of EO 12333 as well as implementing procedures. Some final paragraphs can further interpret the procedures in the practical terms it may be necessary for case officers to use.
