Mr. Harry S. Rowen  
Chairman, National Intelligence Council

Dear Harry:

Many thanks for recommending [redacted] to us. We have reviewed his resume with great care. It is clearly a distinguished one. Nonetheless, I fear that we are unable to consider seriously an appointment at this time. The only openings immediately available all require advanced training that [redacted] does not possess.

I will continue to watch for appropriate openings. In the meantime, I've taken liberty of forwarding a copy of his resume to the Congressional Budget Office, which from time to time does offer appointments to people at this level.

Many thanks for thinking of us.

Sincerely yours,

David S. C. Chu
