WASHINGTON, D.C. 20505

National Intelligence Council

15 JUN 1982

The Honorable Thomas C. Dawson  
Deputy Assistant Secretary for Developing Nations  
Department of the Treasury  
Room 3222, Main Treasury Building  
Washington, D.C. 20220

Dear Mr. Dawson,

I would like to invite you to participate in a two day seminar on the Third World which the DCI's Intelligence Producers Council will sponsor on 21 and 22 October 1982. The seminar will meet at the Department of State, Washington, D.C., and I shall function as Chairman.

The seminar offers the prospect of providing a forum for senior and analyst-level members of the Intelligence Community, executives from consumer agencies, and distinguished academicians to interact on questions pertaining to information needs on the Third World. A series of informative presentations will be interspersed with periods of panel discussion, all designed to provide a stimulating environment for the exchange of ideas on the Third World.

I would be grateful if you could address the seminar during the afternoon of 22 October on the subject of economic factors and trends in the Third World which drive political decision making. If you agree, the presentation would last 30 minutes, followed by a period of questions and discussion.

Your participation would greatly enhance our efforts to understand the problems we face in providing information on Third World matters. Please have a member of your staff contact the action officer for the seminar to convey your decision.
