MEMORANDUM FOR: Assistant Director, Scientific Intelligence
FROM : Deputy Director Central Intelligence
SUBJECT : Organization and Functions, Office of
Scientific Intelligence

I have discussed the attached again with Bill Jackson and I think it is better to hold up the promulgation of the paper on the organization and functions of the Office of Scientific Intelligence until we have had an opportunity to get the benefit of the survey with which you are familiar. The chart, however, may be of use to you in connection with the survey and I suggest that it be held for this purpose.
