ONE Summary of [REDACTED] Research Staff Report "Estimates of Capabilities of the United States Combat Forces in Being, 1 September 1951" 55pp.				LOCATION: HS/HC-143 ✓

**ABSTRACT**

The entire estimate is filed in RC Job No. 66-600. The ONE Summary covers the organization, manpower, training, weapons, and equipment of the Army, Navy, and Air Force. Also involved in the summary are recent developments in weapons, electronics, atomic warfare, BW and CW, industries and resources. A list of sources for the report is enclosed as well. The study was compiled from an examination of overt information available for the American Public.
