FROM : Cable Secretary *MS*

SUBJECT: Use of "EYES ONLY" in Cables

Attached for your information is a copy of a cable from Gen. Smith which sets forth very clearly his views on the use of the term "EYES ONLY".

9 split it!

I believe that it might be wise to again inform the releasing and preparing officers to avoid the use of this term in outgoing messages and to have them advise their correspondents in the field to avoid using it on cables addressed to Hqrs.
