MEMORANDUM FOR: [   ] Special Assistant to the DD/S

SUBJECT   : ADP Applications for the DD/S

1. In reply to your telephone request, I am attaching a
list furnished to me by ADPD which shows those applications
currently being processed in ADPD. Some of the applications
listed as EAM will be transferred to the 501 as programming
and other details can be worked out. Others, such as the
Employee and Applicant Qualifications jobs, are not yet
operational. The Security in Process Job (Case Processing)
has been programmed for the 1401 and will soon be discontinued
from ADPD.

2. The following applications are being processed by
OCS:

        OC - Radio Frequency Predictions   7090
        OS - Special Clearance Center Index   1401
        OS - Case Processing   1410/1401
   OS - SRD Index (not operational)   1410/1401
