

ODP 1659-77  
22 AUG 1977

MEMORANDUM FOR: Acting Deputy Director for Administration  
FROM : Clifford D. May, Jr.  
Director of Data Processing  
SUBJECT : Comments on Proposed Replacement for  
Executive Order 11905

This memorandum confirms ODP's oral comments given by EO/ODP to EO/DDA on 18 August 1977 by telephone. ODP's only comment related to the inconsistency of statements related to "services of common concern."

Page 14, paragraph (ix) states, "(The Director of Central Intelligence shall:) Promote the development and maintenance of service of common concern by designated foreign intelligence organizations on behalf of the Intelligence Community."

Page 23, paragraph (10) states, "(The senior officials of each of the organizations in the Intelligence Community, ..., shall:) Participate, as appropriate, in the provision of services of common concern as directed by the Director of Central intelligence."

Page 25, paragraph (7) states, "(...the CIA shall:) Conduct, for the Intelligence Community, the services of common concern as directed by the National Security Council."

The remaining statements in Section 4., Responsibilities and Duties of the Intelligence Community, do not mention services of common concern for the Department of State (page 26, paragraph (d)), The Department of the Treasury (page 27, paragraph (e)), Department of Defense (page 28, paragraph (f)), The Department of Energy, (page 32, paragraph (g)), The Federal Bureau of Investigation (page 33, paragraph (h)), or The Drug Enforcement Administration (page 35, paragraph (i)).
