31 December 1981

MEMORANDUM FOR: A/NIO/USSR-EE

FROM : C/IAS/OPP

SUBJECT : Support for ADCI Briefing of SSG []

25X1

1. Admiral Inman will attend the SSG meeting on Poland scheduled for 1100 on Saturday, 2 January. He has been tasked to brief the Group on the following:

--Soviet reactions to measures against them already announced by the President.

--Likely Soviet reactions to other measures against them being considered by the USG. []

25X1

2. I request that you and analysts from SOVA/NFAC prepare the required briefing for the Admiral. To meet the Saturday morning deadline, a clean draft should be available in the Operations Center by noon tomorrow, 1 January. Bob Gates will come in tomorrow afternoon to review the draft. The Operations Center will provide a typist to prepare the final briefing, which should be sent to Admiral Inman with his Saturday morning material. You and the SOVA analysts should be available both tomorrow afternoon and Saturday morning to answer any questions regarding the briefing. []

25X1

3. I wish to emphasize that the additional measures being considered by the President are extremely sensitive. The attached copy of the proposed measures, therefore, should be handled on an eyes only basis and shown only to those who have an absolute need to know for the production of the briefing. []
