SUBJECT: 4 March El Salvador Briefing: HPSCI Transcript and

2. I would draw your attention to Mr. Boland's 15 March letter (attached) transmitting the transcript and questions. In paragraph two, the Chairman makes reference to [redacted] reporting re external control of the Salvadoran insurgency by non-Salvadorans. You will recall the DDCI's 4 March promise to supply such to the Committee (Reference: MFR dated 4 March 1982, EA 82-0811). Please advise as to the status of efforts in this regard and provide an anticipated date when such reports can be transmitted--in whatever form--to the Committee. I would recommend we fulfill this request via briefing vice written response or actual transmittal of documents. [redacted]

3. Note also that the Committee--in paragraph three of Boland's letter--is requesting a "photocopied set of the viewgraphs shown to the Committee" on 4 March. [redacted]

4. The Committee is asking for all of the above by Wednesday, 24 March. Since we only just received the letter, questions, and transcript late on Friday, 19 March, such a deadline becomes a bit unrealistic. I will so inform the Committee Staff Director. However, I would like to have the
