MEMORANDUM FOR: Director of Central Intelligence
SUBJECT: Appointment of NSCIC Working Group Chairman

1. I recommend you sign the attached memorandum to Dr. Kissinger concerning General Graham's appointment as chairman of the NSCIC Working Group.

2. When the NSCIC decided to form a Working Group, Dr. Kissinger asked the DCI to designate the chairman, so I think it is appropriate that you merely advise the NSCIC chairman that you have named a successor to the retiring Working Group chairman, Bronson Tweedy.
