MEMORANDUM FOR: LT. GENERAL SAMUEL V. WILSON, USA  
D/DCI/IC  
Chairman, NSCIC Working Group

SUBJECT: NSC Staff Suggestions for the Objectives  
for the Intelligence Community for FY-1976

Attached are copies of the NSC Staff suggestions for revisions and additions to the Substantive Objectives of the Intelligence Community for FY-1975 for use in the Substantive Objectives for FY-1976. These were prepared for discussion at the NSCIC Working Group meeting on January 29, 1975.

It is my understanding that a draft of the FY-1976 objectives incorporating the suggestions of intelligence consumers will be considered at the next meeting of the NSCIC Working Group. It would be helpful to have copies of this draft several days before the meeting in order to continue the process of direct consumer participation in developing guidance for the Intelligence Community. ✓

Copies of these NSC suggestions were given informally to General Thomas, Executive Secretary of the NSCIC Working Group and Mr. Carver, D/DCI/NIO, immediately following the January meeting.

Richard Ober  
Director for Intelligence Coordination  
NSC Member, NSCIC Working Group
