Dear Bill:

Sorry to bother you with details such as this, but I am forwarding to you, at the request of my brother Bill, some correspondence regarding an access of information problem which involves your operation. It seems that the delay in getting certain information is holding up a valued publication and I would hope that you might be able to put this in the right hands to get some attention.

Hope all goes well and I send my very best regards.

Sincerely,

Joseph Coors
President
