1. On 12 July 1982, at the request of [Redacted] I requested that the Office of Security continue his special accesses until John completes his assignment with your office, which I am led to believe will be sometime in September 1982. I have also arranged for John to maintain his headquarters and IC Staff building badges during this period to allow him access to our facilities. I am forwarding for your records a copy of the memorandum making this request of the Office of Security. You will notice on the bottom left-hand side of the attached memorandum that the request was approved.

2. As I am being held accountable, I would appreciate it if you would notify me once John's services are no longer needed in support of your office. At that time, I will arrange to debrief him of his special accesses and will retrieve from him his agency building badges.

3. Your cooperation in this matter is greatly appreciated. Should you have any questions, please contact me on [Redacted]
