SUBJECT: [redacted]

25X1

1. Headquarters advised that [redacted] in order to be granted Industrial Security Staff approval at the Top Secret level, must be polygraphed by the Agency. Unfortunately, the earliest polygraph date that I could obtain for [redacted] is 24 May 1982. I have asked that we be notified if a cancellation develops so that we may get an earlier time for [redacted] if it is convenient for her.
