MEMORANDUM OF UNDERSTANDING

1. PURPOSE. This agreement provides for locating at the Pentagon the offices of the Deputy to the DCI for Collection Tasking, his Directors of the PHOTINT, SIGINT and HUMINT tasking offices, together with elements of their staffs and the Warning and Crisis Management element of the National Intelligence Tasking Office (NITO). This agreement further provides for DoD support to and from the Deputy to the DCI for Collection Tasking and these offices.

a. The Deputy to the DCI for Collection Tasking (D/DCI/CT) and the Directors of PHOTINT (PTO), SIGINT (STO) and HUMINT (HTO) tasking offices are key elements of the DCI's community staff concerned with the tasking and management of national PHOTINT, SIGINT and HUMINT intelligence resources in support of civil and military authorities.

b. The location in the Pentagon of the D/DCI/CT and PTO, STO, HTO and NITO elements is at the request and initiative of the Secretary of Defense to

enhance the interaction of these entities with senior DoD staffs involved in intelligence collection and the use of intelligence to support DoD's management of operational resources. This interaction is designed to maximize intelligence support based on timely operational knowledge of proposed and ongoing operations involving U. S. forces in active and incipient crisis situations.

2. LOCATION. The location of the offices for the D/DCI/CT and the PTO, STO, HTO and NITO elements have been agreed upon in prior correspondence.

a. The office of the D/DCI/CT and members of his immediate staff will be located in offices now occupied by the JCS SALT representative on the second floor "E" Ring in the JCS area.

b. The Directors of PTO, STO and HTO and their staffs will be located on the first floor in approximately 10,300 square feet adjacent to the seventh corridor between "C" and "D" Ring. This space will be closed off to provide a contiguous secure area.

This interaction is designed to maximize intelligence support based on timely operational knowledge of proposed and ongoing operations involving U. S. forces in active and incipient crisis situations.

2. LOCATION. The location of the offices for the D/DCI/CT and the PTO, STO, HTO and NITO elements have been agreed upon in prior correspondence.

a. The office of the D/DCI/CT and members of his immediate staff will be located in offices now occupied by the JCS SALT representative on the second floor "E" Ring in the JCS area. This space consists of approximately 1,100 square feet.

b. The Directors of PTO, STO and HTO and their staffs will be located on the first floor in approximately 10,300 square feet adjacent to the seventh corridor between "C" and "D" Ring. This space will be closed off to provide a contiguous secure area.

c. The Warning and Crisis Management element of NITO will be co-located with the Collection Coordination Facility (CCF) operated by the Defense Intelligence Agency (DIA) in the National Military Command Center complex.

3. SUPPORT. The D/DCI/CT and PTO, STO, HTO and NITO elements will be staffed and operated by the DCI. The security practices of these elements will be in accord with DCI-approved procedures.

a. The Secretary of Defense will provide the following administrative and operational support:

1) Designate appropriate level focal point offices/officers within DoD to meet administrative and operational requirements of the D/DCI/CT and PTO, STO, HTO offices and the needs of the Warning and Crisis Management elements of NITO. In this regard the Chief of CCF will provide to the D/DCI/CT the same collection coordination support as is afforded the DIA.

2) Provide normal office support to the offices listed in paragraph 2 above, including the payment to GSA of the standard level user charge (SLUC).

3) Provide general administrative supplies on a reimbursable basis.

4) Provide appropriate parking for Government vehicles and personnel assigned.

b. The Director of Central Intelligence will provide the following administrative and operational support.

1) Provide information and reports to DoD on collection resource capabilities, limitations, status, tasking and information yield.

2) Pay for the initial renovation, and any subsequent changes incurred, in establishing the offices requested in paragraph 2 above.

3) Provide secure communications, reproduction facilities, printing, couriers and the disposal of classified material for

all CTS components except the NITO element,
which will draw its support from the CCF.

4. EXECUTION. This Memorandum of Understanding is effective upon signature by the Secretary of Defense and the Director of Central Intelligence.
