MEMORANDUM FOR ALL EMPLOYEES

1. Once a year we have an opportunity through the Combined Federal Campaign to participate in a great humanitarian effort. President Reagan has personally endorsed the Campaign and asked for the full support of all of us. I share his sincere interest and advised him of my commitment when I accepted the responsibilities of Chairman of the Agency's Campaign. That Campaign is now under way and will run through 30 October. This year the National Capital Area Goal has been set at \$15,800,000 with the Agency's goal being set at \$307,000.

2. I hope that all of you will join me in giving full and generous support to the many voluntary organizations supported by your contributions to the CFC. The CFC brings together in a single drive the solicitation efforts of 290 of these organizations. I am confident that all of us can and will join together to ensure that our challenging goal is attained. The easiest and most effective method to pledge our fair share is through payroll deductions.

3. During the Campaign you will also have an opportunity to contribute to two Agency-sponsored programs which benefit many employees and their families--the Educational Aid Fund (EAF) and the Public Service Aid Society (PSAS). The EAF is a voluntary association that provides financial assistance in the form of scholarship awards to qualified dependents of current, retired, and deceased employees. The PSAS renders financial aid to eligible individuals who are in urgent need of such assistance and have exhausted all means of self-help. Contributions to both PSAS and EAF may also be made by payroll deductions.

4. Your previous responses to these programs have been gratifying and your continued support is needed to help those less fortunate than ourselves. Please give this your careful attention and a prompt response when you are called upon by your CFC Keypersons.
