NOTE FOR: Director of Training and Education

FROM: Executive Assistant to the DDCI

Hal,

A participant in the Senior Cryptologic Course that visited the Agency on Wednesday, 19 October, called to advise that the Agency made an extremely poor showing that day. The class found the overall briefing to be pitched at about the high school level. Participants were particularly disgruntled that none of their questions were answered. If you could have someone give me a call, I could provide more specifics, but meanwhile, the DDCI would appreciate your ensuring that we do a better job next time.
