20 NOV 1983

MEMORANDUM FOR: Comptroller  
FROM: Harry E. Fitzwater  
Deputy Director for Administration  
SUBJECT: Reprogramming of FY 1984 Funds

1. Your approval is requested to reprogram \$182,000 of Office of Logistics funds within the Real Estate and Construction Division (RECD) FAN 78-1125 (Engineering Support - Recurring Reimbursables) from SOC 2501 to SOC 2358. This reprogramming is necessary to provide funds to support FY-1984 rental and maintenance costs for the Computer Assisted Design and Drafting System (CADDS) being used by Logistics Services Division, the New Building Project Office, and Real Estate and Construction Division. This rental contract is funded for \$290,000 in FY-1985, but unfunded for FY-1984.

2. The funds to meet this immediate and "hard" requirement will be derived from RECD's engineering maintenance, repair and renovations allocation. As the budget execution progresses, appropriate changes will be made to this FAN/SOC as required by the requested reprogramming.
