Harry,

With reference to your 25 July memo to the DCI on space, I am concerned about the statement you make in paragraph 9, i.e., that you propose to establish a moratorium on the acquisition of additional space until after we have occupancy in the new Hqs building. Such a statement implies that the Agency will see zero growth in FY-85, 86 and 87 or that you intend to stuff whatever growth there is into existing facilities. That appears to be short-sighted.
