MEMORANDUM FOR: Executive Committee Members  
FROM: Executive Director  
SUBJECT: Executive Committee Meeting: Long-Range Planning  
REFERENCE: ER 83-4304 dated 31 August 1983, Subject: Development of CIA Strategic Plan, 1983-1993

1. The referenced memorandum established the long-range planning cycle for 1983. In connection with this effort, we now need to review the actions assigned as the result of last year's planning effort. To accomplish this, an Executive Committee Meeting has been scheduled for 18 November 1983. The action items to be discussed are:

25X1

- [redacted] (DDS&T action)
- External Analysis Study (DDI action)

2. I suggest we have a ten-minute presentation of the key findings and recommended action on each item followed by a discussion. I would like the action addressees to provide me with a brief executive summary for distribution to EXCOM Members 10 days prior to the scheduled meeting.
