MEMORANDUM FOR: Director, Consolidated SAFE Project Office/ODP  
VIA: Director of Data Processing  
FROM: Harry E. Fitzwater  
Deputy Director for Administration  
SUBJECT: SAFE Project Plan

1. I have reviewed the subject plan and am pleased with the content. My only other comments are nit-picks that can add little to its improvement, so you may ignore them if you choose.

2. My comments are as follows:

a. Section 2.6, page 2-18. I do not understand the comment about ". . .two or more development contractors are tasked. . ." Why two?

b. The organization of CSPO starting on page 3-1, Project Management, appears to be out of order.

c. Don't understand why Section 3.2.2 and some of the subsequent sections are not a part of Section 2.

d. Appendices are difficult to read.
