

RECOMMENDATIONS FOR DDI ACTIONS

<u>Number</u>	<u>Topic</u>	<u>DDI Action</u>	<u>Other Participants</u>	<u>Remarks</u>
1	DCID 1/2 CNIO DCID 1/3 PNIO	a. Chair Committee to develop CIA position on content of DCID's b. Committee revise DCID 1/3 to include only national survival items c. Committee revise DCID 1/2 to cover other subjects not affecting national survival	Senior reps of production and collection components	ONE should have action
2	DCID 1/3	Agency position: DCID 1/3 not be revised annually or quarterly		Just guidance
4	CIA Rep on IPC	Direct CGS to prepare CIA notice a. Defining role of CIA IPC rep b. Defining function and scope of IPC list c. Directs originators of requirements to consult IPC list and cite it in requirements	Coordination with other components producing requirements for clandestine collection	This could be tough job
6	Requirements Form 986	Direct CGS to revise form Take steps to ensure all use new form correctly Issue Notice of instruction on use of form		Not likely to solve many problems
7	Ad hoc Requirements	Direct CGS to find way to limit ad hoc requirements to those of immediate practical value as collection guidance	Work with requirements officers in DCS and CS	"Here's a problem, solve it."
8	CGS	Issue joint statement with DDS&T on mission and functions of CGS	DDS&T	Should do-- easy if DDS&T cooperates

SECRET

<u>Number</u>	<u>Topic</u>	<u>DDI Action</u>	<u>Other Participants</u>	<u>Remarks</u>
9	Rotation	Develop program for rotating personnel between FI and CGS	DDP	"Getting to know you."
10	CIRL	Issue notice explaining CIRL	DDS&T	Easy
11	CIRL	Direct that each CIRL have preface identifying most important needs therein	DDS&T	Should do
12	CIRL	Direct D/OCI to prepare background statement for each CIRL		Could be big load on OCI
13	Collection Guides	Establish program to produce and revise comprehensive guides on selected subjects	Coordinate with DDS&T	Big job-- asking for trouble
14	DCS Collection Guidance Program	Direct preparation of such program on trial basis		Big job
16	CGS SIGINT Officers	Provide CGS SIGINT Officers with training and access to foster contact between COMINT collectors and CIA analysts		What?
17	Requirements for info on Free World	Ensure only minimum duplication between requirements on human sources and COMINT	Coordination with DDP	Good objective-- how?
20	SIGINT in COMOR	Direct CGS to advise CIA reps of SIGINT working group of COMOR and COMOR on CIA needs	Coordinate with DDS&T	Why isn't CGS doing this now?
