THE DIRECTOR OF
CENTRAL INTELLIGENCE

ER

National Intelligence Council

NIC #5100-83
13 July 1983

NOTE FOR: Director of Central Intelligence

FROM: MG Atkeson
NIO/GPF

SUBJECT: Support to Field Commanders

The attached proposed text for your talk to PFIAB on 14 July makes the following points:

- Your trips evidence the effort we are making.
- Problems remain in the releasability of intelligence to NATO in peacetime.
- We need to develop better means for disseminating US intelligence to NATO in wartime.
- Gen. Rogers needs HUMINT from enemy rear areas in wartime to support the deep battlefield concept.
