

## THE DIRECTOR OF CENTRAL INTELLIGENCE

WASHINGTON, D.C. 20505

National Intelligence Council

15 April 1982

MEMORANDUM FOR: Director of Central Intelligence

SUBJECT : How Small Security Assistance Is In Relation to  
the Defense Budget

No referral to OSD. On-file release instructions apply.

1. DoD Budget Authority has grown between FY 1981 and FY 1983 (request) as follows:

(billions of current dollars)

<u>FY 1981</u>	<u>FY 1983 Request</u>	<u>Increase</u>
178.4	257.5	79.1

2. Total Security Assistance budgetary authority, including Military Assistance Program (MAP), Foreign Military Sales credits and forgiven loans (FMS), International Military Education and Training (IMET), and Economic Support Funds (ESF) has grown as follows:

(millions of current dollars)

	<u>FY 1981</u>	<u>FY 1983 Request</u>	<u>Increase</u>
MAP	110.2	107.5	-2.7
FMS	500.0	1,739.0	1239.0
IMET	28.4	53.7	25.3
ESF	2,024.5	2,886.0	861.5
Total Security Assistance	2,663.1	4,786.2	2123.1

ADMINISTRATIVE - INTERNAL USE ONLY

3. There will be trouble in getting the Congress to meet the FY 83 requests. If it were to do so, the increase in the Security Assistance account between FY 81 and FY 82 would be 2.7 percent of the increase in the DoD budget. It's total level in FY 83 would be only 6 percent of the FY 83 DoD budget.

Henry S. Rowen  
Chairman
