THE DIRECTOR OF CENTRAL INTELLIGENCE

WASHINGTON, D.C. 20505

National Intelligence Council

NIC# 0842-83
31 January 1983

MEMORANDUM FOR: Walt Raymond
Senior Staff Officer
National Security Council

FROM : Henry S. Rowen
Chairman, National Intelligence Council

SUBJECT : Draft Estimates Program for January-December 1983

1. Attached is a copy of our proposed estimates production plan for the year ahead. I would appreciate receiving any comments or suggestions on it that you might have. We are also circulating it to each NFIB member for their review and comment.

2. The draft lists 74 papers, of which 45 are carryovers from the preceding listing put together last fall. Most of the 29 new items result from either NIC or consumer suggestions; a few are regular annual updates of cyclical papers.

3. We usually update the plan every quarter, projecting it a year ahead. Of course papers are added, dropped, or modified as necessary along the way. We will be happy to have your reactions at any point in the process.
