NOTE FOR: Acting C/NIC  
NIO/GPF

FROM : [REDACTED]  
A/NIO/GPF

SUBJECT : DCI Interest in GPF Issues

This afternoon the DCI called me and asked me to drop in to give him a rundown "on conventional forces." I thought he wanted a review of highlights of weapons introduction (perhaps for his PFIAB presentation) but it turned out that he was primarily interested in NIC estimates under GPF management. I gave him a progress report on all those estimates/memoranda currently under way. He appeared satisfied with the information, and appeared particularly interested in the Warsaw Pact reliability study. [REDACTED]
