MHK-3015 5 January 1984

MEMORANDUM FOR: Director, For	ign Broadcast Information Service

THROUGH:

Chief, Operations Group

SUBJECT:

Monthly Report -- Hong Kong Bureau -- December 1983

Being the first to move, the bureau has now had some two months to adjust to the new premises. We have decided one of the nicer things about is the elevators. Gleaming red on three sides, shiny black on the other, and featuring the dimmest of lighting plus favorite selections from the charts, the elevators look like strays from a Tsim Sha Tsui disco.
