MEMORANDUM FOR THE RECORD

SUBJECT: Exerpts from Headquarters Building File (Legal)

- 19 November 1954 Memo for DD/A, subject: Proposed CIA Building, established the fact that the Chairman of Senate Armed Services Committee was notified on 29 August 1951 of the Agency's intention of constructing a Headquarters Building. Also, the Senator from Virginia was notified by an informal courtesy call. This memo was updated by a M/R dated 12 November 1969.
- 11 May 1955 Memo for DD/A, subject: Legislative Steps to Secure Passage of Legislation for a CIA Building. This memo indicates procedure that was followed within the Senate and House each with their own bills.
- 4 August 1955 M/R, subject: Steps to be Taken in the 84th Congress, 2nd Session, to Secure the Remaining Funds for the Construction of the New CIA Headquarters Installation. This M/R was divided into five major paragraphs with an attachment listing the questions asked by the Senate Defense Appropriations Subcommittee in 1955 of Air Force Officials about the proposed Air Force Academy. The five major paragraphs are:
- I Assumption
 - II The amount of money required
 - III Where these funds should be located
 - IV Facts required for presentation
 - V Contacts to be made (see attachment)
- 18 November 1955 M/R subject: CIA Headquarters Building. Records a conversation with the General Counsel of GSA the handling of a contract with the architect, construction, and supervision of the construction and who actually is the final authority on questions that might arise and who is to sign the contract.
- 10 February 1956 Memo for [REDACTED], which lists the members of Congress that the DCI would contact.
