MEMORANDUM FOR THE RECORD:

SUBJECT: Meeting with [REDACTED] Chief, OPSER/DDP

25X1A9a

1. [REDACTED] is retiring from the Agency at the end of August 1969. I met with him to obtain any suggestions which could benefit the BPS. I also advised him of the nature of the meeting which I would be having with the DDP in order that he ([REDACTED]) might consider the names of possible DDP officers to be considered by Mr. Karamessines in the appointment of a Building Planning Coordinator for DDP.

2. [REDACTED] is concerned with space as well as personnel planning. At the present time he is overly taxed on the current reduction in overseas personnel which has been directed throughout the government by the President. [REDACTED] felt therefore that although the coordinator might come from his Staff, he would suggest to Mr. Karamessines that such an individual might be assigned from either MPS or SSA-DDS.
