

11 July 1963

MEMORANDUM FOR : Chief, OL/RECD

ATTENTION : Mr. [REDACTED] 25X1A9a

THROUGH : AC/TSD/E

SUBJECT : Request For Plans For
TSD/[REDACTED] 25X1A8b

1. It is requested that Real Estate and Construction Division prepare preliminary plans for TSD/[REDACTED] 25X1A8b based upon the attached sketch and requirements outlined below. The projected cost of the facility is estimated at \$20,000.00.

2. The requirements are: 25X1A

A. To erect a [REDACTED] type of building of the size 25' X 50' dimensions on a specified site [REDACTED]

25X1A6d

B. The building will be erected on a monolithic slab capable of supporting a special wall as described in the attached drawings.

C. The building must be heated in winter and air conditioned during summer.

The outside walls should be insulated to retard heat conductivity and sound transfer.

25X1A9a

The building should be adequately lighted and furnished with 110/220 60 cycle power outlets.

F. Within the building will be constructed a special testing room. This room is depicted in attached drawings and sketches.
