

~~SECRET~~

25 April 1984

NOTE FOR: [REDACTED]

25X1

FROM: EA/DDCI

You may hear some flack from [REDACTED] about the decision to send a DDO and DDI representative to participate in an NSC Staff briefing of Congress on the new NSDD on terrorism. I spoke to [REDACTED] about this. John feels very strongly that NIOs should not brief Congress as representatives of CIA. Last week he specifically advised Gates that [REDACTED] should not participate in the Congressional briefing on CIA's behalf on this subject.
