Frank:

1. In early December we spoke about the files Admiral Turner asked be segregated for his review and retention here. You phoned him and asked if this could be done for you as well and he agreed. This task, awesome as it was, has now been completed. Admiral Turner has been out twice to review these holdings. With his usual thoroughness he plans to return but is quite pleased with the work we've done.

2. Attached is a sensitive, though unclassified, list of files assembled. Files 1-4 contain your material whenever you were Acting DCI. Files 35 and 46 are particularly relevant to your role. If any additional topics occur to you for this special treatment, please pass the word [ ] and I'll take care of it. I've asked [ ] to elaborate on the attached list where my description is guarded.

3. The sensitive topic folders will be placed in sealed envelopes, labeled as follows:

"Access is limited to DCI, DDCI, Executive Secretary, and C/ER upon direction from the undersigned. If copies of any of the enclosed material are made, a note should be appended to the document detailing DCI, DDCI, or Executive Secretary authorization and dissemination." B. C. Evans

4. Mr. Casey is aware of this effort and appreciates the value it may be to him in the future.
