Weekly Report

Directorate of Administration

25X1

- The Office of Information Services is initiating the transfer to the National Archives of another 110 cubic feet of permanent OSS records that have reviewed by the DO. This is the second increment of OSS records released.
- The Director of Personnel had a wrap-up session with Dr. Paul Seabury of the PFIAB on recruitment in CIA. PFIAB Members recently visited the CIA recruitment offices and have spoken well of our field activities. They were very vocal in expressing the opinion that field recruitment offices must be retained.

Directorate of Science and Technology

25X1

- FBIS [redacted] monitored Soviet leader Chernenko's 5 September public appearance from Moscow television and fed the videotape via satellite to the National Press Club Building, where copies were quickly made for OCPAS and the Community. OCPAS reported that the quality was excellent. [redacted]

- FBIS has made arrangements for the U.S. Embassy in Moscow to send to FBIS tapes of press briefings that Embassy officers attend. The USSR has dramatically increased its use of press briefings for foreign journalists as a means of encouraging support abroad for Soviet positions on foreign policy issues. Traditional FBIS media sources have presented only sketchy descriptions of these briefings. Three tapes have been received to date and are being translated for publication by JPRS.

25X1

Directorate of Intelligence

- OGI contributed to a memorandum to the DCI on U.S. disengagement from UNESCO.
- SOVA prepared talking points for the DCI's meeting with the President on possible Soviet actions in the Third World before the November elections.

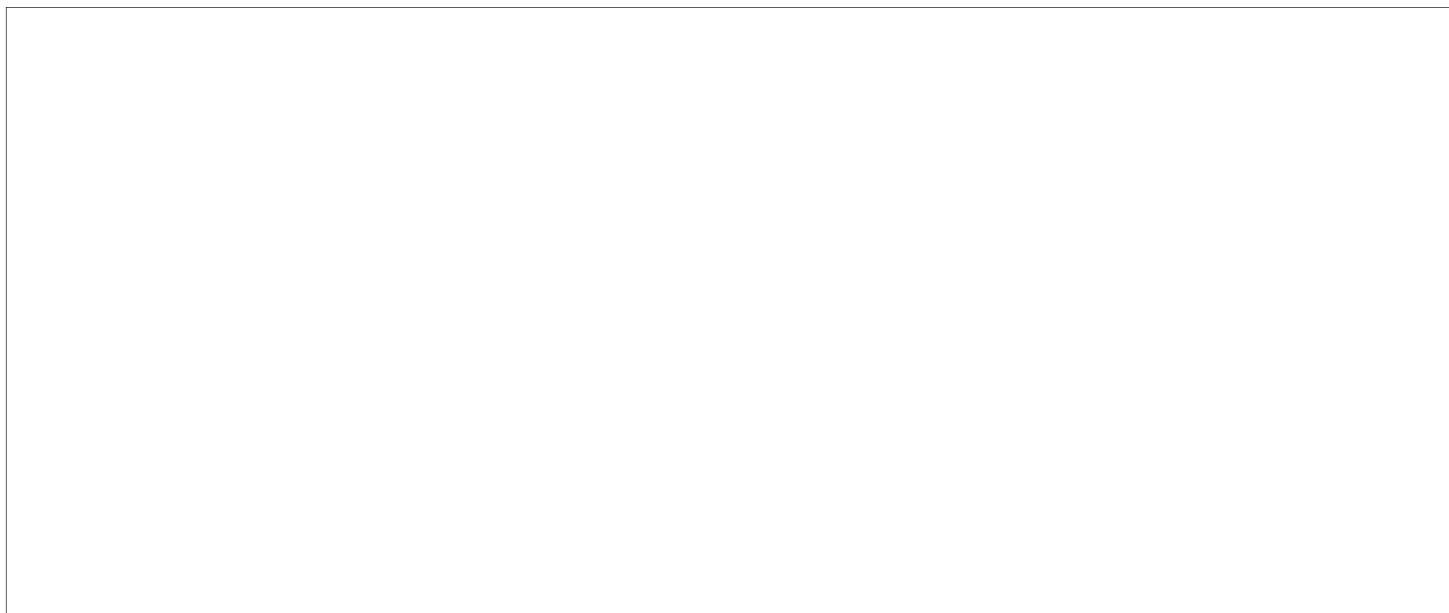

SECRET

SECRET

- SOVA and OCR prepared memos for President Reagan and Secretary Shultz for their meeting with Soviet Foreign Minister Gromyko. A script also was prepared for a video on Gromyko.
- ALA will brief Secretary of State Shultz on the outlook for the Mexican energy sector. Deputy Secretary of Treasury McNamar may also be briefed on Tuesday.

National Intelligence Council

- VC/NIC (Herbert Meyer) and [redacted] briefed Richard Perle, Assistant Secretary of Defense/Policy, on SNIE 11/17-84: New Directions in Soviet BCW Agent Development and Their Implications, and discussed with him advances in the Soviet program over the past six months. 25X1
- Meetings were held to discuss the following interagency papers: NIE 73/5: Trends in South Africa's Nuclear Programs and Policies; NIE 3-84: The Political Repercussions of the Debt Crisis in Major LDCs; IIA on Soviet Submarine Warfare Trends; SNIE 11/17-2-84: Soviet Offensive Chemical Warfare Threat to NATO; and NIE 85/4-84: The Cuban Military Buildup: Options for Castro.
- NIO/Counterterrorism (David Whipple) chaired separate seminars for Community analysts by [redacted] on State-supported terrorism and terrorism in Western Europe; attended a meeting of the White House Operations Group for discussions of potential terrorist threats to the President and others during the election campaign, security preparations for the inauguration, and the status of State Department-sponsored legislation related to terrorism; and with NSA, DDI, and DDO officers, visited CENTCOM to discuss the DCI terrorism analyst network and the DESIST ADP system. 25X1
- NIO/Warning (David McManis) hosted NIO at Large (Hal Ford), [redacted] and [redacted] of DIA, and [redacted] for a discussion of instability warning issues related to DoD tasking from the Long Commission Report and an NIE on Third World instability. 25X1
25X1
- NIO at Large (David Low) will coordinate a briefing for the full SSCI on current CBW intelligence issues. 25X1

25X1

25X1

Office of Comptroller

25X1

- Congress will not complete action on the 1985 Defense Appropriations Bill, which means we will be forced to operate again this year under a Continuing Resolution. The House Appropriations Committee is planning to try to complete their mark-up so that the Continuing Resolution can be pegged to the House Committee's level. If the House and Senate can agree on an overall Defense level, the Continuing Resolution may serve as a substitute for the 1985 Defense Appropriations Bill.

Office of Legislative Liaison

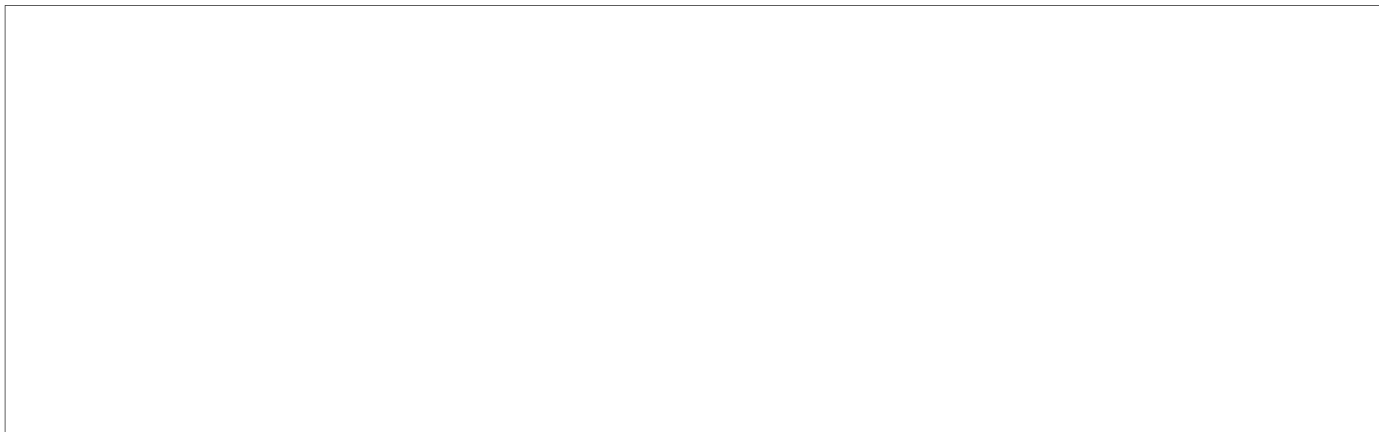

- On Thursday, 13 September, the Criminal Justice Subcommittee of the House Judiciary Committee marked up and reported H.R. 6212, a bill that would add Intelligence Community personnel and probation officers to the list of federal officers who are protected by federal criminal law. Although there is no opposition to including Intelligence Community personnel within this coverage, the Republicans may attempt to use this bill as a vehicle to force a House floor vote on an unrelated issue, a federal death sentence amendment.

25X1

- The House is expected to consider H.R. 5164 Monday, 17 September, and to vote on it Wednesday, 19 September.
- The House and Senate Drug Czar Bills are ready for Conference. Boland has written a letter requesting protection of DCI equities.
- Senator Tsongas may try to push a new version of the Afghanistan Resolution through the Senate.

g. The Office of Information Services has forwarded a request to the National Archives and Records Service (NARS) initiating the transfer to National Archives of another 110 cubic feet of permanent OSS records that have been reviewed by the Directorate of Operations. This is the second increment of OSS records released to NARS.

h. One of the more eccentric FOIA requests received this year comes to us from an individual in California. The requester "for reasons of international understanding" is requesting a statistical analysis of CIA "agents." Among the more exotic statistics being requested are average height of each sex, frequency of eye color, percent of each sex requiring eye glasses, and the average number of agents owning cats, dogs, goats, etc., as pets.

i. The Director of Personnel testified before the House Permanent Select Committee on Intelligence on 12 September regarding the proposed CIA former spouse legislation.

j. The Director of Personnel briefed the International Personnel Management Association members on "Excellence at CIA." The presentation was well received and several institutions have requested copies of the speech.

k. The Director of Personnel had a wrap-up session with Dr. Paul Seaburg of the President's Foreign Intelligence Advisory Board (PFIAB) on recruitment in CIA. PFIAB members have recently visited the CIA recruitment offices and have spoken well of our field activities. They were very vocal in expressing the opinion that field recruitment offices must be retained.

l. On 6 September, the Director of Security, accompanied by a senior Polygraph Division manager, testified on the CIA Polygraph Program before a closed session of the House Armed Services Committee, Subcommittee on Investigations.

m. During the reporting period, a group of security officers assigned to the Director of Central Intelligence Security Staff and several non-Agency officers assigned to protect Supreme Court Justices were afforded a residential security demonstration

25X1

n. The DDA has signed a Traffic Management Agreement with the Commissioner of Highways for Virginia. This agreement covers future construction of Route 123 at the CIA entrance. We have agreed to place in escrow until 1989 the \$500K that was allotted to CIA for the Route 123 entrance construction. The funds will be used when the traffic dictates widening of Route 123.
