REFERENCE AID

DIRECTORY OF OFFICIALS OF THE  
HUNGARIAN PEOPLE'S REPUBLIC

A (CR) 75-1  
(Supersedes A 71-18)  
January 1975

PREFACE

This directory, designed to meet the need for a functional reference guide to officials in the Hungarian Government, the Hungarian Socialist Workers' Party, and other prominent public organizations, has been prepared from information received through August 1974 and with a few entries through December 1974. Subdivisions known to exist under major components have been listed whether or not the names of the incumbents are known, and type spacing has been arranged to permit a substantial amount of updating by the user.

As a matter of interest, it should be noted that, in Hungarian, a married woman's name is formed by adding the suffix -ne to her husband's Christian name. Thus, Mrs. Jozsef Nagy appears as Jozsefne Nagy.
