MEMORANDUM FOR: Information Review Officer/DDO

FROM: [redacted]  
Chief, Classification Review Division

SUBJECT: Review of Department of State Draft, FRUS,  
Volume V, 1955-1957, Germany and Austria (U)

1. Attached for your review are twenty-nine documents (146 pages) from the draft of the Department of State's Foreign Relations of the United States, 1955-1957, Volume V, Germany and Austria. Upon review, the Classification Review Division (CRD) found these pages to be of interest to CIA. Each page has been reviewed by CRD and on some deletions are recommended by bracketing in red and discussed on the attached worksheet. Some of the attached documents are forwarded because they discuss U. S. Government actions that touch on CIA programs without the mention of CIA. We recommend release of these documents but forward them for your review to be certain that nothing slips through that is classified.

2. CIA has reviewed the entire 2,058 pages of Volume V and found only these 146 pages to be of interest to the DO. We have found 160 pages which we are sending to the DI for their coordination. If you wish to review the entire volume, or those pages sent to the DI, please advise us and we will forward them to you.

3. We request that you review the attached documents as soon as possible in order that we may return this material to the Department of State. Please return the draft pages to CRD along with your comments. If you have any questions concerning the review decisions, please contact [redacted] of my staff on [redacted]
