HOME OFFICE — OMAHA, NEBRASKA

OF OMAHA *YOUR GOOD NEIGHB*... *another* FORWARD STEP
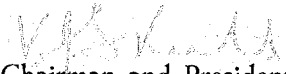

Always striving to expand its protection and service, Mutual of Omaha reached a new high in 1961. Each business day an average of more than 5,100 benefit checks were delivered to sick and injured policyowners.

The evidence of progress within an organization is most obvious when changes occur. Actions taken at the Annual Meeting this year included the adoption of the charter amendments shown on the reverse side. These progressive changes enable Mutual of Omaha to continue to provide "Maximum Benefits at Minimum Cost" with the best possible service.
