SECURITY
19 November 1981

REALLOCATION OF PARKING SPACES

1. Parking spaces for the Main Lot of [redacted] will be reallocated during the month of December. This includes a review of Reserved, General and Carpool permits. Applications for Carpool/Vanpool permits are available in the Security Division. These applications must be completed and returned to the Security Division no later than close of business on Monday, 21 December 1981. Reserved and General parking spaces will be allocated through the parking coordinators listed below. The new allocations will become effective 8 January 1981.

STAT

2. The reallocation of Main Lot parking spaces will conform to Federal Parking Regulations, and permits will be reissued according to the following priorities: (1) Handicapped employees; (2) Reserved, not more than 10% of parking for executive personnel; (3) Vanpools, eight members or more; (4) Carpools, based on number of members; and (5) General, all remaining spaces. Reserved and General spaces are allocated to the components in proportion to their share of the total building population. Individuals who do not qualify for a space on the Main Lot must park in either the General Parking [redacted]

STAT

3. Vanpools and Carpools must adhere to the following criteria: (A) Vanpools must have at least eight (8) [redacted] employee members, one of which must be assigned to [redacted] and (B) Carpools must have at least two (2) [redacted] employee members, but at least one of these must be assigned to [redacted] (C) The assignment of spaces to either of these two categories will be based upon rider membership for a five (5) day work week. NOTE: Only [redacted] employees will be considered in the total rider membership for parking space allocations.

4. In the Spring of 1982, the construction of an addition to [redacted] will eliminate approximately 250 parking spaces on the Main Lot. Consequently, prior to the commencement of construction, those individuals assigned spaces in January which are located on the construction site or in an area needed for storage of construction materials and equipment or for a safe ingress or egress to the site will be reassigned spaces in General Parking Lot [redacted] or the Main Lot if vacancies exist. These parking spaces will be issued in the most equitable manner possible.

STAT

STAT

5. Employees who qualify for Handicapped parking spaces must have their requests for permits approved by the Chief, Support Staff by 30 November 1981. A doctor's certification of exemption should accompany this request.

6. Permits for Main, GPO and 153 Lots must be displayed face up on the driver's side of the dashboard or in the windshield so that they are clearly visible to the Federal Protective Officers who patrol the parking lots. Failure to display the permits may result in the issuance of a \$15.00 parking citation. Additionally, Federal Parking Regulations allow for fines of up to \$50.00 and/or imprisonment up to 30 days, and administrative action may be taken to revoke parking privileges for a period of not less than six months.

7. On normal working days, between 0600 and 1500 hours, employees may only park in the space assigned to them. On weekends, holidays, and from 1500 to 0600 hours on normal working days employees may park in any Main Lot space except those so designated by a special sign.
