

4. Special procedures apply to the review and declassification of classified cryptologic information. The following shall be observed in the review of such information:

a. COMSEC Documents and Materials. If records or materials in this category are found in agency or department files that are not under COMSEC control, refer them to the senior COMSEC authority of the agency or department concerned or by appropriate channels to the following address:

Director, National Security Agency/  
Chief, Central Security Service  
ATTN: Policy Staff  
Fort George G. Meade, MD 20755

b. SIGINT Information.

(1) If the SIGINT information is contained in a document or record originated by a U. S. government cryptologic organization and is in the files of a non-cryptologic agency or department, such material will not be declassified. The material may be destroyed unless the holding agency's approved records disposition schedule requires its retention. If the material must be retained, it must be referred to the originating organization for systematic review for declassification.

(2) If the SIGINT information has been incorporated by the receiving agency or department into documents it produces, referral of the SIGINT information to the originator is necessary prior to any declassification action.
