MEMORANDUM FOR THE CHAIRMAN, DCI SECURITY COMMITTEE

SUBJECT: Release of NOCONTRACT Data to the Rand Corporation

References: a. DCI SECOM meeting, 23 October 1985.

b. OUSDR&E(OFPO) memorandum, 22 October 1985, subject: Library Access for the Rand Corporation.

c. DIA memorandum U-69/OS, 12 September 1985, subject: Library Access for the Rand Corporation.

1. As discussed in reference a., you requested SECOM members review reference b. (enclosure 1) and reconsider the DIA request for exception to the NOCONTRACT provisions of DCID 1/7 presented in reference c.

2. The OSD/OJCS FFRDC at Rand must be able to respond in a timely fashion to the research requirements directed by the Office of the Secretary of Defense. The process of researching and identifying source documents for OSD directed studies and analyses is, in and of itself, a time-consuming procedure. Originator release approval for those NOCONTRACT documents pertinent to the research task normally requires 2-4 months. Frequently the release procedure may take longer.

3. Enclosure 1 details the access, storage and control mechanisms for protection of NOCONTRACT information at the OSD/OJCS FFRDC at Rand. The following additional protective mechanisms also apply.

a. Access will apply only to the FFRDC, and not to Project Air Force, the Arroyo Center or the sections of Rand that perform research for the private sector.

b. All Rand requests will be reviewed by the OSD FFRDC Programs Office to insure that the requested document is germane to the research effort for which the OSD/OJCS has tasked the FFRDC.

4. Request this amplifying data be provided to each SECOM member so that the matter might be expeditiously resolved.
