TO: ELECTED OFFICIALS, POLITICAL PARTY LEADERS, FEDERAL GOV'T PERSONNEL AND MEDIA

As a follow-up to my investigative work on the Josef Mengele case and the current Neo Nazi movement, I have put together a chart which is attached for your review. It contains all known Nazi organizations still in operation.

Most of these organizations were originally formed to preserve the ideals of the Third Reich and to provide protection for war criminals like Josef Mengele. However, as membership continues to grow in this international network of Nazis, one can only speculate on their ultimate goals.

As you look at my chart, you will notice five groups of Nazis. With the exception of the American Neo Nazis, the majority of these groups have headquarters in South America, with memberships stretching throughout the world. All members support the basic concept of a "master race" and advocate the annihilation of Blacks, Jews and those who don't agree with or meet the standards of this so-called master race.

I am urging all concerned citizens to write to their respective Congressmen, expressing support of increased surveillance by the CIA and FBI in relationship to these Nazi organizations.
