Federal Building  
Lakeland, FL 33801

Dear Ms. McSween:

This is in reply to Senator Chiles' letter to Mr. William Casey dated 18 September 1985, enclosing a telephone record request for information on career opportunities with the Central Intelligence Agency (CIA) [redacted]

Enclosed are brochures on professional and clerical opportunities available at CIA along with a preliminary application form.

For your information, CIA also sponsors a graduate studies program. To be eligible for the program, a student must be committed to attend graduate school during the fall following the summer of internship, be a citizen of the United States, and must undergo a complete background investigation and polygraph examination. Students interested in applying for the program should send a letter and resume to CIA in the early fall in order to be considered for the following summer's program.

I hope you find this information useful.

Sincerely,

[Redacted signature]
