Dear Sir:

On behalf of the Staff and Command of the San Diego Chapter, The Military Order of the World Wars (MOWW) I respectfully request that your office provide a speaker for our regular monthly luncheon meeting of 18 June 1955.

Our Chapter is composed of regular and retired men and women officers from all branches of The Service. We meet regularly every third Tuesday of each month throughout the year to hear speakers from both military and civilian disciplines. During this past year our list of speakers has included the Special Agent in Charge of the San Diego FBI Office, the San Diego Police Chief, County Sheriff, County District Attorney, Marine Recruit Depot Commanding General, Former Surgeon General of the U. S. Navy, Submarine Group Five Commander, and the Commander Fighter/Airborne Early Warning Wing. A speaker representing the Central Intelligence Agency would be a most important addition to this roster.

Approximately 135-145 members of the Chapter attend our meetings which are held in the Admiral Kidd Officer's Club on Harbor Drive in San Diego. A social hour from 11 a.m. to 12 noon precedes the luncheon which starts promptly at noon. The speaker is introduced at 1 p. m. and adjournment is scheduled for 1:30 p.m.

I hope your office will be able to provide a speaker even though we cannot offer an honorarium. Our membership would like to hear of the true nature of the role and responsibility of the CIA as can be reported within the restrictions of security. The media provide some information, but we deem it important to hear directly from our government agencies the true facts of their missions.

I would appreciate a prompt answer to this request so that appropriate publicity can be published in our Chapter newsletter. Please respond to me at:
