Director  
Central Intelligence Agency  
Washington, D.C. 20505

Dear Mr. Casey:

In May 1985, AFCEA will publish its 39th Annual Convention Report issue of SIGNAL Magazine. Our convention issue is always one of our most widely read and, as in previous years, we plan to highlight the issue by publishing short statements from top government leaders.

Since we believe our readers would benefit from sharing your thoughts, we invite you to submit a short statement on future trends in C<sup>3</sup>I Networking. You may wish to discuss one or several of the many aspects of networking, such as, network security, acquisition strategy, network media, network privacy and security, etc.

A statement of 300 words or less accompanied by your photograph would be a valued addition to this issue. Our deadline for receiving the statement and your photograph is March 8, 1985.

On behalf of the Association, we at International Headquarters solicit your participation in submitting a statement for this special issue and we look forward to hearing from you shortly with a favorable response to our invitation.

Sincerely,

Judith H. Shreve  
Publisher  
SIGNAL Magazine
