25X1

MEMORANDUM FOR: Director of Central Intelligence

FROM: Harry E. Fitzwater
Deputy Director for Administration

25X1

SUBJECT: Weekly Report for Period Ending 8 February 1985

25X1

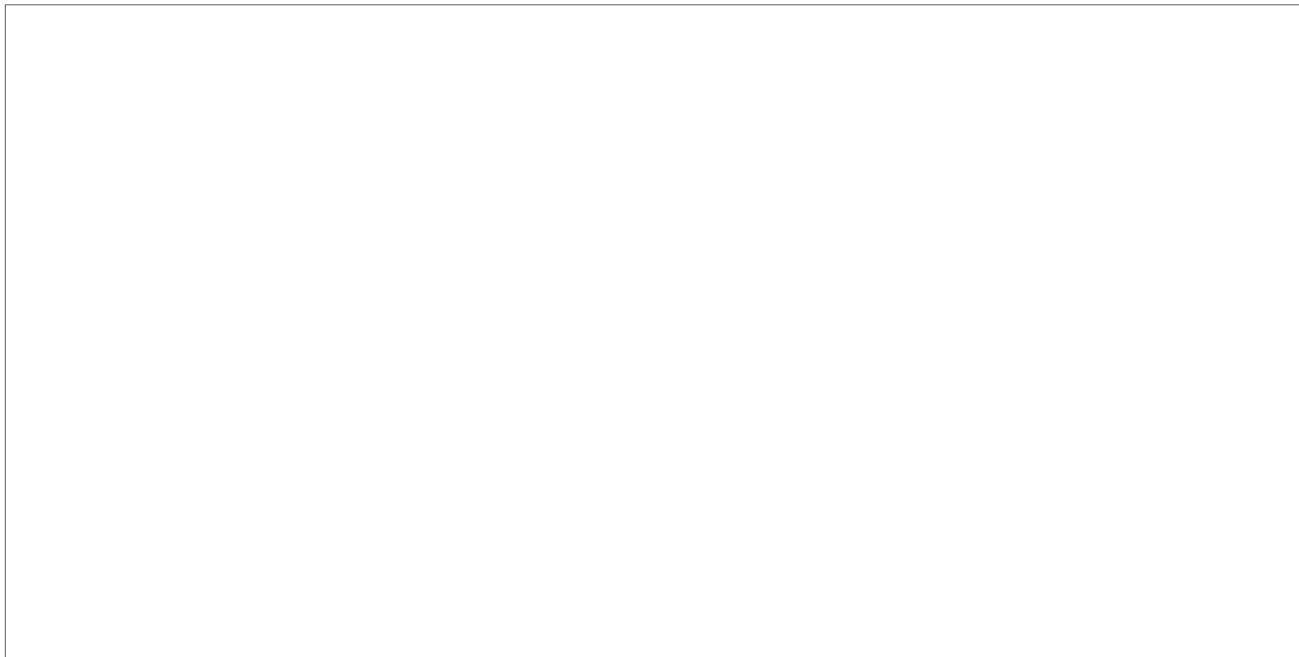

- 1. Progress reports on tasks assigned by the DCI/DDCI:

None.

25X1

- 2. Items/events of interest:

a. On 1 February, the Agency's first Security Protective Officers training class graduated from an 8-week training course held at the Federal Law Enforcement Training Center (FLETC) in Glynco, Georgia. The DDA delivered the keynote address to the graduating class. It was reported that this class, containing the Security Protective Officers, received the highest average scores of any FLETC graduating class to date.

- f. Contributions to the Combined Federal Campaign now total

[Redacted]

This is [Redacted] over the Agency's 1985 goal of [Redacted]

25X1

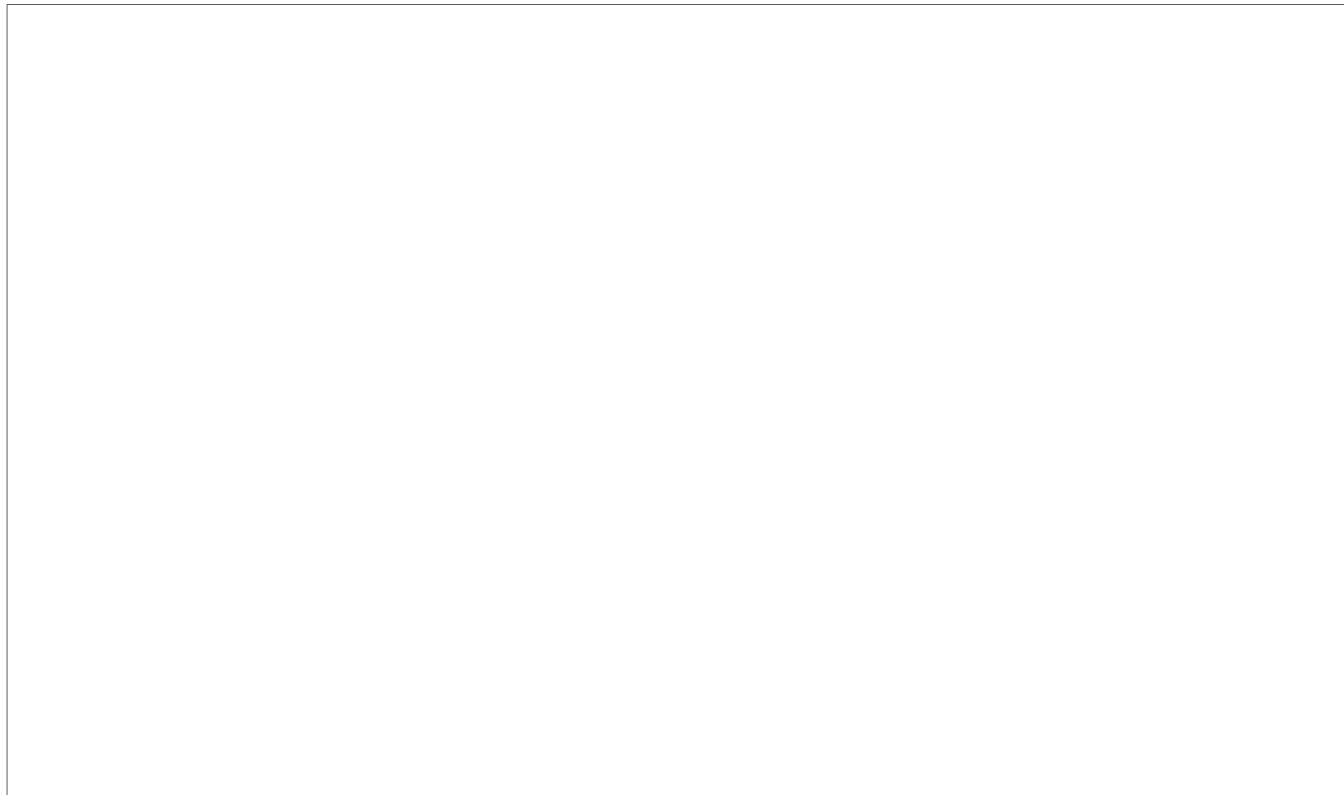

S E C R E T

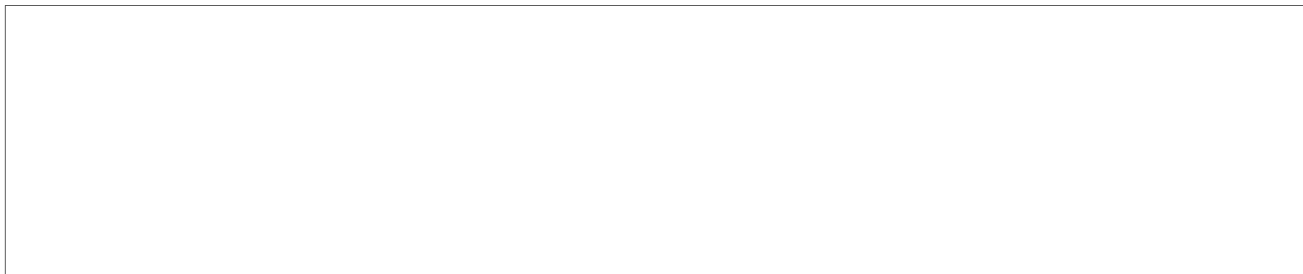

g. On 1 February, the first phase of an applicant direct mail program was implemented and resume' forms were sent to [] graduate students who are majors in subjects of interest to the Agency. Student responses will be sent to our field recruitment offices where they will be reviewed and screened, and those selected for consideration will be handled in the same way as other applicants. If this program proves productive, we will contact up to [] students by mail by April.

h. Representatives of the Office of Personnel visited the Pentagon to revitalize a program launched in the spring of 1983 to obtain information on officers about to leave the military service who are potential Career Trainee applicants. The Office of the Secretary of Defense considers the agreement still in force and has solicited our comments on the criteria originally furnished. A letter is currently being drafted by our Pentagon contact to the services requesting their renewed cooperation.

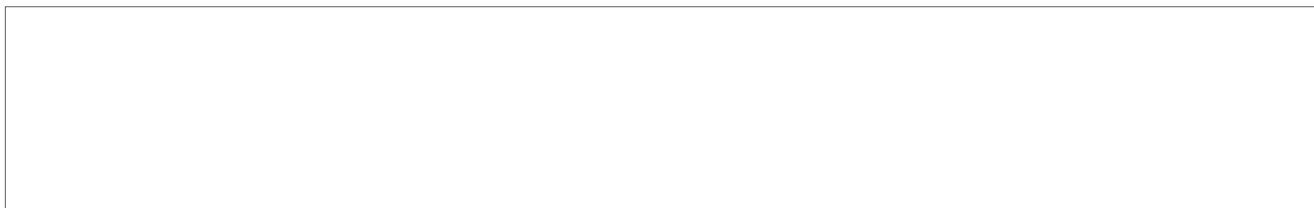

i. On 4 February, representatives of the Office of Information Services and the CIA Historian met with the Archivist of the United States and personnel from the National Archives and Records Service (NARS). The meeting was to plan for a systematic review program for CIA records of historical interest. The names of seven eminent historians throughout the United States were listed and three will be selected to come to Washington in March to discuss the proposed program. A report on this subject is due to Congress by 1 June 1985.

S E C R E T

m. During the reporting period, a representative from the Office of Data Processing, Consolidated SAFE Project Office, presented a SAFE briefing to Mr. Robert Surrrette, a new member of the House Permanent Select Committee on Intelligence.

3. Significant activities anticipated during the coming week:

25X1

None.

Items of Interest

25X1

1. Briefings on Arms Control Issue

At the request of Bud McFarlane, [] C/ACIS/DDI, has briefed SSCI Chairman Durenberger on 4 February, HAC Defense Subcommittee Chairman Addabbo and Ranking Minority Member McDade on 6 February, and SAC Defense Subcommittee Chairman Stevens on 7 February, regarding the data denial issue relating to arms control. Key staff also attended. [] will be briefing SSCI Vice Chairman Leahy, and HPSCI Chairman Hamilton and Ranking Minority Member Stump as soon as possible.

2. SSCI Hearing on Arms Control

On Tuesday, 5 February, [] C/ACIS/DDI, attended the SSCI Arms Control hearing at the invitation of Presidential Advisor Paul Nitze.

3. Conclusion of SASC Worldwide Briefing

On Tuesday, 5 February, you and eight NIOs concluded the SASC Worldwide Briefing.

4. Briefing of SSCI Member Cohen

On Wednesday, 6 February, DO representatives briefed Senator Cohen and an SSCI staffer on terrorism []

25X1

5. Meeting with Senator Nunn

On Wednesday, 6 February, D/OLL and an OLL representative met with Senator Nunn and a staffer of the Senate Governmental Affairs Subcommittee on Investigations, regarding input to Subcommittee hearing on personnel security.

SECRET

25X1

SECRET6. Briefing of new HPSCI Members

On Thursday, 7 February, DD/ICS, Chairman/SECOM, an OGC representative, and DD/OLL briefed new HPSCI Members on the damage caused by leaks.

7. Meeting with HPSCI Member Hyde

On Friday, 8 February, at the request of Representative Hyde, will meet with him on an as yet unnamed subject.

25X1

8. Omnibus Intelligence and Security Improvement Act

HPSCI Ranking Minority Member Stump introduced legislation today that would, among other things, criminalize unauthorized disclosure of classified information, regulate the use of the polygraph and prepublication review in the Government while preserving their use within the Intelligence Community, and allow the Government to naturalize certain aliens admitted to the U.S. because of their critical contributions to the security of the United States. The Republicans may attempt to add these amendments and certain other technical amendments contained in the Stump bill to our Intelligence Authorization Bill when it is considered by the HPSCI this spring.

9. Senator Proxmire's Inquiry re Government Vehicle Use

In a conversation with Senator Proxmire's staff, it was confirmed that Senator Proxmire was fully satisfied with the Agency's 17 January response concerning Agency Government vehicle use, and agreed that Section 8 of the CIA Act of 1949 (50 U.S.C. 403j) authorized home-to-office transportation for the DCI and DDCI. The staffer stated that this 17 January letter thus adequately resolved Senator Proxmire's inquiries concerning the Agency's use of Government vehicles.

Future Events1. Briefing of SASC on Soviet Strategic Development

On Tuesday, 19 February, at 9:00 Larry Gershwin, NIO/SP, will brief the SASC on Soviet strategic developments and trends.

2. Briefing of SSCI Member Mitch McConnell
