MEMORANDUM FOR THE RECORD

SUBJECT: FBI Announcement of CIA Espionage Arrest

1. On Thursday, 11 July 1985, at 9:05 a.m. I called John Plashal, HAC Defense Subcommittee, [redacted] and told him that at 10:00 a.m. the FBI was to announce the arrest of a CIA employee and a resident alien on espionage charges. The employee, a woman, met the alien while serving at an African post. They became lovers and she eventually gave him information about intelligence operations in her locality. I told John we would supply further information if he needed it and asked him to alert Chairman Addabbo. He said he would.
