Major General George D. Miller

Dear George:

I would like to express my appreciation for the hospitality extended to me by you and your people during my visit to SAC. The briefings and tours were excellently done and provided me with a deeper appreciation of SAC's mission and of the importance of intelligence to fulfilling that mission. I look forward to continued close cooperation between our two organizations on intelligence and national security matters. Again let me thank you for an informative and absorbing day.

Sincerely,
