Vice Chairman, National Intelligence Council

VIA : Hans Heymann, Jr. #  
National Intelligence Officer at Large

FROM :   
Assistant National Intelligence Officer at Large

SUBJECT : Request for Approval to Attend Nuclear Conference

25X1

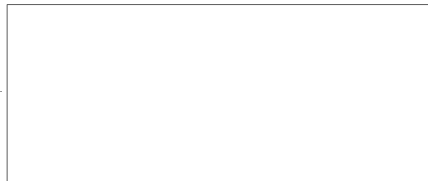

1. The three-day conference on the Technical Aspects of Nuclear Commerce will be held in Coronado, California, 23-26 January 1983. It will feature presentations by foreign and US Executive Branch and Congressional officials on such subjects as safeguards, nuclear exports, US nonproliferation objectives, the International Atomic Energy Agency, and the nuclear programs of Argentina, Brazil, the PRC, South Korea, Mexico, Taiwan, and Yugoslavia (see copy of advance program for additional details--attached).

2. Participation in the conference would afford opportunities for acquiring valuable perspectives and information bearing on a number of programmed or proposed interagency papers on such subjects as the IAEA, PRC involvement in Pakistan's nuclear program, and the nuclear programs of Taiwan, South Korea, and Brazil.

3. This is to request your approval to attend the conference the expenses for which are: conference fee, \$575.00, tour of General Atomic Fusion Facilities, \$20.00, for a total of \$595.00. A room at the Hotel

25X1

del Coronado--the site of the conference--is \$79.00 per night. I will absorb the difference between it and the authorized per diem rate of \$75.00.
