

23 November 1954

MEMORANDUM FOR MR. KIRKPATRICK

SUBJECT: Clark Committee

1. On 15 November 1954, Colonel Eugen Miller and Mr. John McGruder met with Messrs. [REDACTED] of O/NE.

25X1A

2. The primary purpose of the meeting related to the program ~~is~~ having these gentlemen sit in on the various meetings to be held in the preparation and coordination of an NTE--in this case [REDACTED]. Specifically we wanted to bring them up to date on those stages which they had missed.

25X1A

3. Since neither had attended the general briefings given to the Clark Committee, we briefly sketched our procedure and answered a number of general questions. Altogether we spent two hours with Miller and McGruder.

4. Our initial reaction is that these gentlemen, while inexperienced in intelligence, asked key questions and probed in a manner designed to get at our problems.\* We believe we came off rather well in this initial encounter, in part no doubt, because of the informal way in which we conducted the meeting.

\* A good session.
