2. Colonel Lane apparently feels very strongly that our [REDACTED]

[REDACTED] programs are out of balance in that most of the funds are spent on the [REDACTED] and very little for [REDACTED]. He expressed this same idea during the EE and FE briefings with specific reference to [REDACTED] and [REDACTED]. Today he commented as follows: "We must keep the [REDACTED] on our side. I note that most of your [REDACTED] funds are spent for operations against the [REDACTED] but it is equally important that we do not neglect [REDACTED]. I wonder if enough thought is being given to this aspect?"

5. Prior to the briefing this morning Colonel Lane informed me that he had discussed his proposed February field trip with General Mark Clark at a meeting Friday afternoon (December 10), and that the General had approved his request that [REDACTED] accompany him on the trip as an Agency Representative and Assistant. Colonel Lane instructed me to include the [REDACTED] on the itinerary and requested that I begin making the necessary arrangements for passports, shots, travel authorizations, [REDACTED] etc.
